

ELEMENTAL COLLECTION

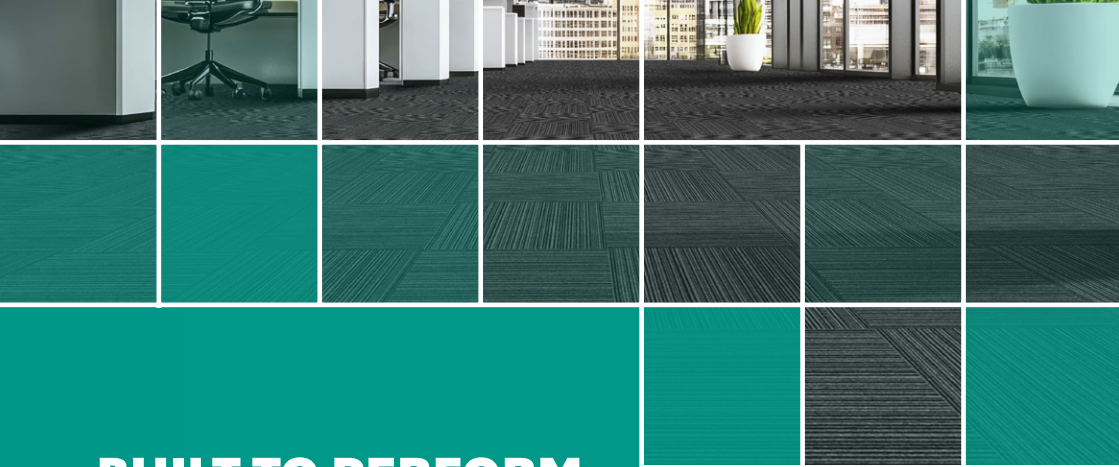

DESIGNED FOR DURABILITY AND VERSATILITY

The Elemental Collection provides a versatile flooring solution for offices, commercial spaces and high-traffic areas, combining style with long-lasting performance.

LIFESPACE

Quality tiles | Unbeatable prices

BUILT TO PERFORM, STYLED TO INSPIRE

The Elemental Collection offers two high-performance carpet tile options: **Elemental Loop** and **Elemental Stripe**. Both are designed for durability and versatility in commercial environments, featuring the same robust construction and premium materials. Elemental Loop provides a classic textured loop pile, while Elemental Stripe adds a modern striped design for a bold aesthetic.

Elemental Loop is available in eight versatile colours, thoughtfully designed to enhance traditional office, educational, leisure, and healthcare environments.

Elemental Stripe is offered in two sophisticated shades – Granite and Shadow – perfectly suited for traditional interior spaces.
